

FEEL THE JOY

By Mark Condon

I'm a little tired of the devil's game
Keeping me in bondage from my sorrow's and pain
I deserve better I won't go another day
I'm here to claim deliverance in Jesus name

Chorus:

I feel the joy of the Lord
Falling fresh on me
I feel the joy of the Lord
Delivering me
I feel the joy of the Holy Ghost
All over me

Now I have royal blood
Flowing through my veins
I'm a child of the King
I've been buried in His name
There is no devil that can come against me
I've been blessed, bought, and I've been set free

Chorus

Bridge:

I have been loosed
I've been set free
So pardon me a moment while I have a jubilee
For the joy of the Holy Ghost is all over me

I have been loosed
I've been set free
So pardon me a moment while I have a jubilee
For the joy of the Holy Ghost is all over me
