

## SINGING AND REJOICING

By Leonard Barrier

There's Joy in serving Jesus I'm finding more  
As I walk with Him from day to day  
Everyday my joy gets greater  
Fellowshipping with my Savior  
I'm singing and rejoicing on my way

I'm singing and rejoicing on my way  
Praising Christ my blessed Savior everyday  
No more in sin I travel  
I walk the straight and narrow  
I'm singing and rejoicing on my way

Things of earth no more can charm me  
For I see that shore  
Where with friends and loved ones I shall stay  
I can hear the angels singing  
In my heart are joy bells ringing  
I'm singing and rejoicing on my way

I'm singing and rejoicing on my way  
Praising Christ my blessed Savior everyday  
No more in sin I travel  
I walk the straight and narrow  
I'm singing and rejoicing on my way
