

## SOMETHING OUT OF NOTHING

Way back i the beginning  
When the world was dark and void  
One thing moved on the water  
It was the Spirit of the Lord  
The first day He created light  
The fifth day all the animals were born  
But the sixth day when He did breathe  
Man became a living form

He made something out of nothing  
Put me on His way  
He pulled me out of the mirey pit  
On the solid rock to stay  
I can't tell you how it happened  
This I really don't know  
He made something out of nothing  
When He saved my soul

It wasn't long before man had sinned  
And broke the fellowship of God within  
But God sent His only seed  
To bruise the devil's head at calvary  
I once was lost but now I'm found  
I once was blind but I have new sight  
I stand before you a brand new man  
Full of the power of His might
