

## **HANGING ON A NAIL**

By James Payne and Mark Payne

I read it in the Bible  
Book of John, chapter 14  
Jesus said that He would go and build  
A place for you and me  
A mansion on a golden street  
Down by a crystal sea  
But He said now I must go away  
So you can find the key

It's hanging on a nail on an old rugged tree  
Just outside Jerusalem at a place called Calvary  
That key will open Heaven's door  
And lock the gates of hell  
You'll find that key on an old tree  
Hanging on a nail

You don't need money to buy that brand new home  
Cause the price was paid in full two thousand years ago  
The title deed was signed in blood and there's a guaranty  
That all who come to that old cross  
Will find the blood stained key

Repeat chorus

**Tag:**  
That key will open Heaven's door  
And lock the gates of hell  
You'll find that key on an old tree  
Hanging on a nail
