

# WHO WANTS TO PRAISE THE LORD

By John Darin Rowsey and Candace Green

God is a good what mighty works He's done  
King of Kings and Lord of Lords He is the only one  
There's nothing greater than His wonder working power  
He's worthy of our praise that's why I ask you now

Who wants to praise the Lord  
Who's gonna lift their voice and sing in one accord  
Who wants to lift their hands Who's gonna take a stand  
Who wants to praise the Lord

He is Jehovah so great in all the land  
With mercy in His arms and healing in His hands  
Alpha and Omega the beginning and the end  
There's none above Him so I ask you once again

Repeat chorus

## **Bridge:**

Who's gonna lift the name of Jesus (I will)  
Who's gonna sing of how He freed us (I will)  
Who's gonna share a testimony (I will)  
Who's gonna give Him all the glory (I will)
